Squalene 100%

100 Capsules

Squalene is a nutrient produced in our bodies and is also found in plants and animals. It is primarily from shark liver oil and easily absorbs oxygen and helps deliver oxygen throughout the body to the cell tissues that need it.

Squalene belongs to a class of antioxidants called isoprenoids which is a cell-friendly molecule that neutralizes the harmful effects of excessive free radicals in the body.

The antioxidant properties protect your skin from many types of environmental damage such as the wind and sun.

Features and benefits

Main: Skin, Immune System

- Protects and repairs skin damage from wind, sun and radiation exposure
- Strengthening the immune system and beneficial for colds and influenza Important for tissue repair, delayed wound healing and acne
- Promotes healing and recovery of nervous system Has an analgesic and anaesthetizing effect to neutralize pain

Dosage

Take 1 or 2 capsules daily after meal or as directed by your physician

Liver Tonic

90 Tablets

Liver Tonic is an herbal supplement that supports the healthy functioning of the liver. The high potency formula assists to strengthen the liver through its detoxification effects. It also helps maintain a healthy digestive system as it relieves constipation and cleanses waste from the body.

The liver is one of the most important organs in the body responsible for eliminate toxins and wastes from the body. The liver metabolizes proteins, fats, cholesterol and carbohydrates that fuel the body and secrete bile that increases intestinal absorption of fats and the fat-soluble vitamins A, D, E, and K. A sluggish liver translates into fatigue since the body cannot convert foods into energy efficiently.

Features and benefits

Main: Liver, stomach, intestines

- Detoxifies, repairs and nourishes to optimise liver function
- Herbal tonic ingredients protect the liver from toxins, such as alcohol
- Relieves constipation and aids the digestive system to maintain healthy stomachs and intestines
- Supports memory function and increases energy

Dosage

Take 1 tablet daily

Bilberry

40 Capsules

Bilberry is a small shrub that bears berries similar to cranberries and blue berries.

The herb is popular for its abundance of flavonoids called anthocyanosides, which is a chemical compound with powerful anti-inflammatory and antioxidant effects.

This protects the collagen structures in the blood vessels of the eye. Bilberry is widely recognised for its ability to treat eye and skin problems.

Features and benefits

Main: Eye, Skin

- Anthocyanosides compound facilitates blood flow in eye vessels to maintain healthy sight and vitality
